## 2017 Does for Sale

November 6, 2018

In WordPerfect under: 2017 Does for Sale

These are yearlings **born in 2017**

the ones still here are all in milk

If you are shopping for older does,  
please open

**DOES FOR SALE**

*better is "2018 Does for Sale"*

a different button on the website, or a different handout in the paper catalogue.  
If you want one, send a deposit of 10% (or a \$100 minimum) and a contract2

\*Contract2 is behind the button, "Order Forms," on the website.

Or call us (301) 834-8030 and we will fill it out!

THANKS!!

*All of these doe kids HAVE been registered with ADGA.*

We don't do the listing until the paper comes from ADGA.

(We can't get the paper from ADGA until we come up with a name that contains "J" and has something to do with her family.)

"Confirmed Pregnant Price" What does that mean?

We send samples to the lab every week or two. If the doe you are buying is pregnant, then you are getting more Saanens than just her. (Unless she aborts.)

"704" - What does that mean? She is wearing a neck tag that says "704"

Also her left ear PERMANENT tattoo will read "4J"

The "J" means born 2017. The "7" means born in 2017.

The "04" means she was the 4<sup>th</sup> kid born in 2017.

The "4" in J4 means she was the 4<sup>th</sup> kid born in 2017.
